

# Vaadwuar Historical Review

### Across

- ✓1. the century when the network of subspace corridors was discovered
- ✓3. the satellite over the Vaadwuar world used by Voyager to target the Turei
- ✓6. a network of subspace corridors once thought to be isolated to the Delta Quadrant
- ✓8. the species Captain Janeway wished she had onboard to sense the Vaadwuar's true intentions
- ✓10. the reason Voyager went to the planet where the Vaadwuar were located
- ✓12. the author of a collection of folktales related loosely to the Vaadwuar
- ✓18. the reason the planet the Vaadwuar were found on was in the state it was in 2376
- ✓20. the power that now holds the colony world Gedrin would have liked to relocate to in 2376
- ✓21. an unusual region of space where Voyager later encountered a heavily-modified Vaadwuar ship, following first contact in 2376

### Down

- ✓2. a Delta Quadrant race whose word for "foolish" is roughly the same as the name for one of the other races in this puzzle
- ✓4. a Delta Quadrant race that claims ownership of the subspace corridor network there
- ✓5. the type of unit the Vaadwuar in stasis in 2376 were part of
- ✓7. the leader of the Vaadwuar's tactical officer in 2376
- ✓9. the person responsible for activating one of the Vaadwuar stasis pods
- ✓11. the number of Vaadwuar in stasis in 2376
- ✓13. the leader of the Vaadwuar as of 2376
- ✓14. the number of Vaadwuar ships that escaped in 2376
- ✓15. the number of light-years traveled in the five minutes Voyager was in the subspace corridor network
- ✓16. a Vaadwuar woman killed by malfunctioning stasis equipment

✓**22.** a Vaadwuar soldier who was sympathetic to the crew of Voyager in 2376

✓**23.** the material reinforcing the cave containing the Vaadwuar stasis pods, which was also used by the Bajoran Resistance

✓**25.** an earlier Star Trek character who was described as a space seed

✓**26.** a Delta Quadrant race that claims to have originally discovered and mapped a network of subspace corridors

✓**17.** the state of the planet where the Vaadwuar were found in 2376'

✓**19.** the alert status a Starfleet vessel uses to land on a planetary surface, among other things

✓**24.** the Greek hero whose legend gives the Vaadwuar's debut episode its name
