

IS BEING A SALAMANDER REALLY THAT BAD?

THE ARGUMENT FOR WARP 10

WARP 10 BASICS – WE CAN ALREADY DO IT

- ▶ THE WARP 10 THRESHOLD WAS ALREADY BROKEN IN 2372; NO NEW TECHNOLOGY IS REQUIRED.
- ▶ ENHANCED STABILIZATION DILITHIUM HAS BEEN FOUND NATURALLY AND IS ALREADY STORED IN A CLASSIFIED LOCATION IN CASE THE “LIZARD PROBLEM” WAS SOLVED.
- ▶ THE REQUIRED WARP DRIVE MODIFICATIONS ARE SIMPLE WITH CURRENT TECHNOLOGY AND STABLE IF THE PARIS MODIFICATION IS APPLIED TO CURRENT QUANTUM WARP THEORY PROGRAMMING.
- ▶ TRANSWARP IS MORE AESTHETICALLY PLEASING; IT OFFERS A WIDER VARIETY OF COLOR STREAKS COMPARED TO TRADITIONAL WARP. THIS WILL IMPROVE MORAL.

ARGUMENTS IN FAVOR OF ~~LIZARD~~ TRANSWARP SPEED

- ▶ WAS JANEWAY EVEN TELLING THE TRUTH? SHE'S A QUESTIONABLE HISTORIAN AND POSSIBLY CREATED AN INCREDULOUS STORY TO COVER UP ANOTHER 'TUVIX TYPE' SITUATION OR ACCIDENTAL CRIPPLING YET ANOTHER SPECIES
- ▶ ITS RUDE TO ASSUME THAT WHAT HAPPENS TO HUMANS AT TRANSWARP ALSO HAPPENS TO OTHER SPECIES. HUMANS ARE A GARBAGE BIN OF GENETICS; MUTATIONS AREN'T EXACTLY A BIG SURPRISE.
- ▶ WE HAVE A CURE FOR THE LIZARD PROBLEM: HIGHLY FOCUSED ANTIPROTON RADIATION THERAPY. WHILE VOYAGER'S EMH DESCRIBED IT AS "A MASTERPIECE OF MEDICAL SCIENCE THAT WILL NEVER BE RECREATED." IN HIS LOGS WE DISAGREE AND THINK IT'S EASY.
- ▶ ANYBODY WHO DOSN'T RESPOND TO TREATMENT CAN GO TO THE FARM ON ENDICRONIMAS V. IT'S NICE THERE; TENDI'S DOG TOLD ME SO.
- ▶ IS BEING A SALAMANDER THAT BAD?

[CLASSIFIED....FOR COMMAND EYES ONLY (EXCEPT ADM JANEWAY & MAYBE ADM PARIS & ALSO HARRY KIM (HE STILL HAS NIGHTMARES))....FOR IMMEDIATE CONSIDERATION]

ARGUMENTS AGAINST WARP 10

CONCLUSIONS & FINAL THOUGHTS

- ▶ WARP 10 IS VIABLE, READY TO DEPLOY, AND HAS MINIMAL SIDE EFFECTS*
- ▶ WHILE WE DON'T KNOW HOW TO NAVIGATE AT WARP 10, IF TOM PARIS COULD FIGURE IT OUT WHILE BEING TRANSFORMED INTO A HIGHLY EVOLVED(?) LIZARD THAT REALLY WANTED SOME BABIES, ANYONE COULD FIGURE IT OUT.
- ▶ IF ALL ELSE FAILS LET THE VAADWAUR DISCOVER THE TECH. THEY'LL ALL TURN INTO LIZARD PEOPLE (MAYBE) AND WE'LL AT LEAST SOLVE THAT PROBLEM.
- ▶ A PLANET SHOULD BE SET ASIDE FOR ANY, SHALL WE SAY, ACCIDENTAL LIZARD BABIES
- ▶ THE AUTHOR OF THIS PRESENTATION REQUESTS TO BE HIDDEN AWAY SOMEWHERE FOR PROTECTION FROM ADMIRAL JANEWAY**

*OPINIONS VARY ABOUT THE USE OF THE WORD MINIMAL IN THIS PRESENTATION

**NOT THE SAME PLANET WHERE WE STICK THE LIZARD BABIES
